Organisational Diary

October 2021

Aim & Objective

In the first of its kind, BJYM has decided to publish a monthly Organisational Diary to bring transparency and accountability in the organization. It will not only maintain professionalism but also the qualitative oneness, as propounded by Deen Dayal Upadhyay Ji to bring coherence among different units, in the political realm. To meet this objective, the BJYM office will release the monthly ranking of each state based on their performance. Thereafter, the national office, after understanding their issues at ground zero, will design the course correction measures and toil hard to bring the underperformed state at equal footing. It is also an effort to make the national office highly efficient and more accountable. Considering the proclivity of the young generation towards the use of information technology, BJYM has decided to make its national office paperless and tech-friendly. BJYM is fortunate to have a young and dynamic President leading from the front and guiding at every step to bring positive change in the working style so that BJYM will be instrumental in taking the message of Hon'ble PM and party at every corner of this great nation.
