Organisational Diary

November 2022

Our Inspiration

*“ Kashmir to Kanyakumari is one cultural entity...
It is one cultural entity. All the states, all the
religious groups, castes and communities not with
standing their distinct characteristics, belong to
one culture, and that is the Bharatiya culture ”*

- Dattopant Thengadi

Aim & Objective

In September 2021, for the first time, BJYM decided to publish a monthly Organisational Diary to bring transparency and accountability in the organization. It was started not only to maintain professionalism but also the qualitative oneness, as propounded by Deen Dayal Upadhyay Ji to bring coherence among different units, in the political realm. To meet this objective, the BJYM office started releasing the monthly ranking of each state based on their performance. Thereafter, the national office, after understanding their issues at ground zero, tries to design the course correction measures and toils hard to bring the underperformed state at equal footing. It is also an effort to make the national office highly efficient and more accountable. Considering the proclivity of the young generation towards the use of information technology and as per its solemn pledge, BJYM has made its national office paperless and tech-friendly. It is heartening to find the young minds receptive to this unique initiative. BJYM is fortunate to have a young and dynamic President leading from the front and guiding at every step to bring positive change in the working style so that BJYM will continuously be instrumental in taking the message of Hon'ble PM and party at every corner of this great nation.
